In addition to a healthy breakfast, children can engage in a variety of physically and mentally stimulating activities and have access to a selection of play equipment. This setting not only promotes healthy eating habits but also encourages social interaction, allowing your child to mix with peers from different age groups, fostering friendships and teamwork.

AFTER SCHOOL CLUB

Our After School Club delivers high-quality childcare from **3:20 PM to 6:00 PM** for children aged **4 to 11**. We create a safe and secure environment where qualified staff, experienced in providing engaging play activities, care for your child.

We offer a diverse range of activities tailored to meet the individual needs of each child, including crafts, sports, table top games, and outdoor play. Children have access to technology, outdoor areas, musical instruments, and a variety of toys and games.

To support healthy lifestyles, we provide drinks and snacks in accordance with the school's healthy eating policy, ensuring that your child enjoys nutritious options while having fun.
