## PE Funding Evaluation Form

- It is intended that this template should be used as preparation for the completion of the statutory digital reporting tool being introduced this academic year. You can upload data (including swimming) from this template onto this platform once it becomes accessible.
- Before you decide how you are going to use the funding for this academic year you should reflect and evaluate the impact of your use of the funding in 2023/24.
- All spending of the funding must conform with the terms outlined in the Conditions of Grant document.
- The template is a working document that you can amend/update during the year.
- Based on your evaluation of last year's funding you should decide what you intend to do this academic year, how you will do it, and what impact you expect it to have.

It is important that the funding is used effectively and based on your school's needs.

- You must use the funding to make additional and sustainable improvements to the PE and sport in your school.
- You must develop and add to the PESSPA activities that your school already offers.

*Summative digital reporting from June 2025 will continue to include swimming and water safety information therefore funding can be used to provide top-up lessons where necessary to ensure pupils meet national curriculum swimming requirements.*

## Review of last year 2024/25

**We recommend that you start by reflecting on the impact of current provision and reviewing your previous spend**

What went well?	How do you know?	What didn't go well?	How do you know?
Renewed class time playtime equipment.	Playtimes are active and that children are engaged in purposeful play, which lessens incidents of low level behaviour.	Reduction in number of pupils participating in competitions off site due to rise in transport costs.	Reduced pupil numbers
Y1-Y6 have benefitted from one PE lesson a week being delivered by a sports specialist from PECO.	Sports coaches teaching children PE significantly enhances students' skill development and confidence, providing high-quality instruction that fosters motor competence. Additionally, their presence contributes to teachers' professional development (CPD) by sharing expertise and best practises, ultimately creating a lasting legacy of improved physical education within the school.		
Identified pupils in Y3, Y4 & Y5 have taken part in Bikeability sessions.	Pupils learned to ride a bike unaided. Sessions well received by pupils and parents alike.		
PECO staff have continued to engage children in sport at lunchtimes.	This contributes to children's enjoyment of lunchtimes, increases the children's level of physical activity and reduces incidents of low level behaviour because pupils are engaged in structured activity.		
Selected pupils involved in following sports competitions/ experiences: <ul style="list-style-type: none"> <li>Year 6 Large Football</li> <li>Year 4 Large Football</li> <li>Year 1- 2 Liverpool FC Academy visit</li> <li>Year 5/6 Girls Football</li> </ul>	Over 150 pupils (10+ PP) given opportunity to take part in competitive sport, apply taught skills and represent the school.  Participating in a wide range of sporting competitions offered children valuable opportunities for personal development, enhancing their teamwork, resilience, and leadership skills. Engaging in physical education and competitive sports not only fostered a sense of school

Furthermore, these experiences helped children develop essential life skills, such as goal-setting, discipline, and the ability to cope with both success and failure.</p>		
<p>Broad range of extra-curricular sports provision, for all pupils, taken place before and after school</p>	<p>Number of pupils who have engaged with extra-curricular sports provision:</p> <p>Autumn: 262 (27 PP) Spring: 290 (24 PP) Summer: 305 (16 PP)</p> <p>Participation in extra-curricular sporting clubs offered children numerous benefits, including improved physical fitness and enhanced social skills through teamwork and cooperation. These activities also fostered a sense of belonging and community, helping to boost self-esteem and resilience. Additionally, engagement in sports positively impacted academic performance by promoting discipline and time management skills.</p>		
<p>Platinum School Games Award retained</p>	<p>Retaining the Platinum Schools Games Award demonstrates St Ann's CE Primary School's commitment to providing high-quality physical education and promoting an active lifestyle among children. This recognition not only enhances the school's reputation within the community but also fosters a culture of inclusivity and engagement, encouraging all children, regardless of ability, to participate in sports</p>

PE Subject Lead produced 'a month in sport' feature for our whole school newsletter	Importance of sport, wellbeing and fitness kept high profile.		
<p>Following annual reports produced:</p> <ul style="list-style-type: none"> <li>• Sports Competition Impact Report</li> <li>• Extra-Curricular Impact Report</li> </ul>	<p>These reports celebrate the positive impact of our sports related extra-curricular activities. They supported Ofsted's judgement of Outstanding for Personal Development (Feb 2025). Ofsted said: <i>There is an impressive range of opportunities that are available to nurture pupils' talents and interests. This is because the school places great importance on pupils' social and emotional development. Pupils enjoy a range of after-school clubs, such as art and archery, alongside clubs that support their learning. Pupils appreciate the sporting opportunities that the school provides and say that they are proud to represent their school in competitions. Such activities allow pupils to develop their confidence, team building and leadership skills. They are well prepared for the next stage of their education.</i></p>		
Top up swimming lessons provided beyond usual offer to target pupils who had not achieved the national swimming standards.	<p>The impact of this year's Y6 swimming tuition has been as follows:</p> <ul style="list-style-type: none"> <li>• 88% (52/59 children) can swim competently, confidently and proficiently over a distance of at least 25m.</li> <li>• 90% (53/59 children) can use a range of strokes effectively.</li> <li>• 98% (58/59 children) can perform safe self-rescue in different water-based situations.</li> </ul>		
PE display created in main corridor	The profile of sport and the benefits of taking part in extra-curricular activities raised.		
Y5 Sports Leaders recruited	Year 5 Sport Leaders play a crucial role in fostering teamwork and leadership skills among their peers, promoting a positive and inclusive school culture. By organising and leading activities, they enhance their

Healthy Living Week planned and delivered	<p>To enhance the profile of sport, the PE Subject Lead organised our annual Healthy Living Week (HLW), filled with engaging activities for all pupils. Highlights included road safety workshops, a visit from the RNLI, Zumba sessions, and a vibrant Sports Day. We were excited to have Women's Saints player Katie Mottershead lead an inspiring workshop, and the Mark Barrow Annual Run showcased pupils' enthusiasm and determination. The school nurse also spoke about health and wellbeing.</p> <p>HLW successfully promoted physical and mental wellbeing through inclusive events like fitness circuits and healthy eating discussions. The involvement of Rainhill High Year 10 Sports Leaders strengthened community ties as they supported staff during Sports Day.</p> <p>A pupil survey led by Sports Leaders from 5G and 5BF captured feedback across year groups. Children enjoyed races and suggested exciting additions for next year, such as hurdle and beanbag races, as well as more fitness sessions. This reflects high engagement and the importance of pupil voice in shaping future events.</p> <p>Importantly, HLW ensured Pupil Premium pupils participated alongside their peers, promoting inclusion and enriching experiences. A brief survey provided valuable data on enjoyment and impact, guiding plans for an even more dynamic Healthy Living Week next year.</p>		
St Ann's has hosted several exciting sporting events, including the Rainhill Cup, where five local schools competed in football, a Softball competition for Year 4 and 5 children, and an Ultimate Frisbee	<p>These events enriched our PE curriculum by fostering teamwork, enhancing physical fitness, and promoting resilience and sportsmanship. Additionally, they provided pupils with exposure to various sports, encouraging the discovery of new interests and talents.</p> <p>By engaging with local schools, we also strengthened community ties,</p>
