

Dear Parents/ Carers

As per today's newsletter, we have not set homework for the children over the Easter holidays.

However, for those parents/ carers who wish for their child to carry on with their learning at home, don't forget they have access to the various online learning platforms we subscribe to. In addition to this, you might like to use the opportunity to explore some of the resources on our Home Learning Links document which can be found on our website by clicking on the following

link <https://www.rainhillstanns.co.uk/page/?title=Home+Learning&pid=219>.

We have also attached for your attention, an interesting project that you might like to encourage your child to do during the school closure. After all, this time in all our lives is history in the making.

Finally, use the time to take care of each other's well being, to help your child develop a broader set of skills that will last a lifetime or just to be together.

Whatever you get up to, don't forget to tag us in. Whether that's cooking, baking, playing board games, doing a jigsaw, listening to an audio book, drawing, painting, or taking part in Joe Wicks' PE sessions, we'd love to hear from you!

Life's quiet without you!

From everyone at St Ann's
