

## ENGLISH

Our writing will be inspired by the book 'The Miraculous Journey of Edward Tulane.' We will be focusing on the precision of our writing and our language choice.

## SCIENCE

In Science, we will explore environmental change, including how habitats are affected and why some animals become endangered or extinct. We will also study states of matter.

## COMPUTING

In Computing, we will be writing algorithms and code to programme a game using Pictoblox. We will also be looking at photo editing.

## PHYSICAL EDUCATION

In PE lessons, we will be learning about tennis, aiming to improve our striking and movement skills. We will also be preparing for Sports Day in our athletics unit.

## MATHEMATICS

In Maths, we will be looking at finding the area and perimeter of different shapes. We will then move on to problem solving, including measure and money.

## RELIGIOUS EDUCATION

In our RE lessons, we will be learning about places of worship and why the church is important to Christians. We will also explore prayer in Christianity and other faiths.

## HISTORY

We will be learning about the Anglo-Saxons and Vikings, exploring why they came to Britain and how they fought for power. We will also investigate how they have influenced life in Britain today.

## PSHE

In PSHE, we will be exploring relationships and emotions, including understanding feelings such as jealousy and loss. We will look at how these can affect friendships.

## ART & DESIGN

In our Art lessons, we will be focussing on sculpture. We will plan, design and create our own sculptures using clay.

## MUSIC

In Music, we will continue learning to play our brass instruments and practice reading musical notes on the staff; the set of lines and spaces where music is written.

# Y4 SUMMER CURRICULUM MAP
