

## ENGLISH

In English, we will be reading *How To Look After Your Dinosaur*, *Think Big* and *Nibbles The Book Monster*. We will continue to develop our sentence writing skills through a variety of forms including, wanted posters, apology letters and instructions.

## SCIENCE

In science, we will be learning about plants. We will explore how they grow, what they need to survive and investigate the different parts of plants and their jobs. We will also continue to learn about seasonal change.

## COMPUTING

In computing, we will be learning how to program animations. We will create our own moving pictures by giving simple instructions and bringing our ideas to life on screen.

## PHYSICAL EDUCATION

In PE, we will be playing net and wall games such as tennis. We will also have a focus on athletics to prepare us for Sports Day.

## MATHEMATICS

In maths, we will be exploring numbers from 50 to 100 and beyond, building confidence in counting, ordering and recognising patterns. We will also have fun learning about fractions, discovering how to share and split shapes and amounts into equal parts.

## RELIGIOUS EDUCATION

In RE, we will be learning about baptism. We will explore why it is important to Christians and what happens during a baptism ceremony.

## HISTORY/ GEOGRAPHY

In geography, we will learn about the Equator and the North and South Poles. We will explore different climates, weather and habitats around the world.

## PSHE

In PSHE, we will be focusing on relationships. We will learn about building positive friendships, showing kindness and respect and understanding how to work and play well with others.

## MUSIC

In music, we will be focusing on having fun with improvisation. We will explore creating our own simple rhythms and melodies using our voices and instruments.
