Y1 AUTUMN CURRICULUM MAP

ENGLISH

In English, we will be reading Beegu, The Queen's Hat and The Leaf Thief. We will continue to develop our letter formation and begin to focus on using finger spaces between words. The children will have opportunities to apply these skills through a range of writing activities, including creating posters and using speech bubbles.

MATHEMATICS

In Maths, we will be developing our understanding of numbers within 10, including counting, comparing and ordering numbers. We will also learn to add and subtract within 10 and explore shape and pattern.

RELIGIOUS EDUCATION

In RE, we will explore the Harvest Festival and why Christians give thanks for the harvest. We will consider the importance of being thankful and sharing with others, as well as exploring what happens when a harvest fails.

SCIENCE

In Science, we will be learning about animals, including humans. We will identify and compare different animal groups and explore what animals eat, including carnivores, herbivores and omnivores.

HISTORY/ GEOGRAPHY

In Geography, we will explore the United Kingdom, identifying the four countries that make up the UK. We will learn about their capital cities, famous landmarks and the seas that surround the UK.

COMPUTING

In Computing, we will develop our digital artwork skills by using a range of tools to create pictures. We will learn how to use shapes, lines and colours, as well as how to select, resize, move and erase objects to create our own digital artwork.

PSHE

In PSHE, we will be learning about being me in my world and understanding our rights and responsibilities within our class. We will also celebrate differences, learning about bullying, kindness and making new friends.

PHYSICAL EDUCATION

In PE, we will develop our fundamental movement skills through a range of physical activities. With our sports coach, we will also develop our teamwork and learn how to work cooperatively with others.

ART & DESIGN/ DESIGN & TECHNOLOGY

In Art, we will be exploring spirals and expressive drawing, using different parts of our bodies to create marks and continuous lines.

In DT, we will be exploring moving pictures and learning how simple levers and sliders work.

MUSIC

In Music, we will learn how to find and keep a steady pulse through a range of fun musical activities. With our music teacher, we will develop our singing skills, exploring pitch, rhythm and using our voices confidently
