Y5 AUTUMN CURRICULUM MAP

ENGLISH

In English, we will use two amazing texts to inspire our writing. 'The Lost Happy Endings' and 'Malamander'. We will write across a range of genres such as a diary entry, a narrative and to persuade.

MATHEMATICS

In Maths, we will explore reasoning with large whole integers and using this to develop our knowledge of addition and subtraction and multiplication and division.

RELIGIOUS EDUCATION

In RE lessons, we will start our year with looking at The Bible and Sacred Texts in other religions. We will discuss the importance of the texts and how religions use them.

SCIENCE

In Science, we will explore the fasicnating Earth and Space. We will learn more about our Solar System, individual planets and understand the movement of the Earth and Sun.

HISTORY

During our History sessions, we will explore Ancient Rome and the impact that the Romans have had on Britain.

COMPUTING

Computing this term will be the very exciting unit on Vector Drawings. Pupils will develop their skills each week learning how to use the 'Google Draw' programme and create their vector drawing.

PSHE

In PSHE, our year begins with developing our knowlegde of the unit 'Being Me in My World' we will look at personal goals for this year and think about forming positive thoughts and mindset.

PHYSICAL EDUCATION

In PE lessons, we will be developing our orinteering skills during our afternoon lesson and completing Rugby with our PECO sports specialists.

ART & DESIGN/ DESIGN & TECHNOLOGY

In Art lessons, we will explore 'Typography and Maps' creating our own 3D map using a variety of mark marking and typography to reflect their design.

MUSIC

In Music this half term, children will explore Melody and Harmony within music. Being taught by our music specialists, students will begin to recognise melody and harmony and its importance when composing.
