Together, we aim high; with God's love we can fly.

St. Ann's Church of England Primary School

SUPER LEADERS

Our Super Leaders initiative gives pupils the qualities they need to flourish in society by teaching them to be responsible, respectful and active citizens in public life. It is instrumental to our character education offer. Every year, each Y2-Y6 child is a member of two advocacy teams which campaign for change. By the time a child leaves our school, they have been a member of every Super Leader team. The intent behind our Super Leaders initiative is to provide children with an opportunity to make a difference to our school, local or global community. Past projects/ campaigns have included: Rights Respecting Parliament developed a child-friendly safeguarding policy and film, Health and Safety Team promoted Road Safety, Charity Champions led on charity work to make up food hampers for local families and Food Bank, the Town Troopers have written a letter to residentials about the future development of our school grounds, our Global Ambassadors made environmentally friendly reindeer food and our Equality Advocates designed a logo which is displayed in all classrooms and which celebrates equality and inclusion.

Class	Super Leader Team 1	Super Leader Team 2
Y2	Town Troopers *Miss O'Shea*	Wellbeing Warriors *Miss Mulcahy*
Y3	Health and Safety Crew *Miss Roberts*	Digital Leaders *Miss Johnson*
Y4	Values Ambassadors *Mrs Green*	Arts Council *Mrs Mulvihill/Mrs Mulligan*
Y5	Charity Champions *Miss Buckley*	Global Change Ambassadors *Mr Harrison*
Y6	Equality Advocates *Miss Stone*	Entrepreneurs *Mrs Hartley*
Miss Foster/ Mrs Mulligan	Rights Respecting Parliament	
Mr Wortley	Sports Leaders	

SUPER LEADERS LONG TERM PLAN

TEAM	INTENT OF TEAM
Arts Council	The Arts Council celebrates the creativity and individuality of everyone through Art. We enhance the school and local environment by producing artwork on small and large scales. Our artwork makes a real impact within our community by ringing colour, inspiration, and creativity to our environment. Each year we take part in a variety of competitions that are held on national/international levels. The Arts Council also enhance pupil wellbeing and self-esteem – everyone can be an artist!
Wellbeing Warriors	The Wellbeing Warriors, as the pupil leadership team at St Ann's CE Primary School, play a pivotal role in promoting positive mental health and wellbeing within the school community. Their primary objective is to foster an environment where all children feel supported, valued, and empowered to express their feelings. By organising activities, workshops, and awareness campaigns, the Wellbeing Warriors encourage their peers to engage in discussions about mental health, develop coping strategies, and build resilience. They serve as role models, demonstrating the importance of kindness, empathy, and mutual respect, while also acting as a bridge between students and staff to ensure that every child's voice is heard. Through their initiatives, the Wellbeing Warriors contribute significantly to creating a positive school culture that prioritises emotional wellbeing and supports the holistic development of all children.
Digital Leaders	The Digital Leaders are able to shape how technology is used both inside and outside of the classroom. Their goal is to make sure that everyone, including staff and children, are confident in keeping themselves safe online. They act as role models, helping to foster a positive digital culture by demonstrating safe online behaviours, assisting with technical challenges, and inspiring creativity through digital tools.
Health and Safety Crew	The Health and Safety Crew, plays a vital role in fostering a safe and healthy environment for all children at St Ann's CE Primary School. This team is responsible for assessing risks within the school and its surroundings, suggesting appropriate mitigations to ensure the safety of their peers. They actively promote essential road safety messages, educating fellow children about safe crossing practises and the importance of being vigilant. Additionally, the Health and Safety Crew focuses on key issues that impact children's lives, such as dog safety, sun safety, stranger danger, and water safety, ensuring that all pupils are aware of potential hazards and how to navigate them. Furthermore, the crew champions healthy lifestyle messages, encouraging their peers to adopt balanced diets and engage in regular physical exercise, thereby promoting overall well-being and resilience among the student body. Through their initiatives, the Health and Safety

	Crew empowers children to take responsibility for their safety and health, fostering a culture of awareness and proactive engagement within the school community.
Values Ambassadors	The Values Ambassadors, as the children's leadership team at St Ann's CE Primary School, play a vital role in promoting our distinct Christian values and ethos, celebrating our foundation as a church school. They are instrumental in embedding our theological vision, "Together, we aim high; with God's love, we can fly," which is inspired by the Bible verse Isaiah 40:31, reminding us that those who trust in the Lord will find new strength and soar high like eagles. The Values Ambassadors actively promote our school aims, which focus on education for wisdom, knowledge, and character, serving all God's children in partnership with the community, and nurturing the whole child in faith and values. They participate in collective worship by opening and closing sessions, ensuring that everyone flourishes spiritually and is treated with respect and kindness. Through their leadership, they foster an active culture of justice and responsibility, encouraging their peers to embody these values in their daily lives.
Town Troopers	The Town Troopers Team is dedicated to making a positive impact in our local community. Our goal is to spread kindness, support those in need and create a stronger sense of belonging for everyone in Rainhill. Through small but meaningful actions such as visiting care homes, assisting shoppers and delivering uplifting messages, we aim to show that even the smallest gestures can make a big difference. By working together, we hope to represent the values of St Ann's and inspire others to contribute to a more caring and connected community.
Charity Champions	The intent of Charity Champions is to raise awareness about the importance of donating and to inspire people to take action in support of the charities: ACE (Africa's Children in Education), Diabetes UK, and The Bobby Colleran Trust. Through this initiative, we aim to highlight the urgent need for educational support for children in Africa, raise awareness of diabetes and its impact, and promote road safety for young people. By working closely with ACE, specifically with a school in Tanzania, we aim to make a direct, tangible difference in the lives of children who lack access to proper education. The overall goal is to encourage donations and contributions, fostering a sense of shared responsibility in supporting these causes and creating lasting positive change in communities both near and far.
Equality Advocates	The Equality Advocates aim to raise awareness and champion equality, diversity and inclusion. Through research and collaboration, the children aim to spread the importance messages of treating others with equity and embracing our differences. Through their advocacy, they empower young voices within our school to make a difference. The overall goal is to encourage our school to be one of equal opportunities, celebrating diversity and to uphold inclusion in all we do. The Equality Advocates have made a child friendly video to explain the importance of equality, diversity and inclusion. Explaining it in a child friendly way for all to understand.

Global Change Ambassadors	The Global Change Ambassadors aim to enhance our understanding of sustainable practices from around the world and implement small but meaningful changes within our local community to promote sustainability. Through research, collaboration, and advocacy, we seek to inspire others to adopt more environmentally friendly habits. A key part of our work involves partnering with local waste management companies to raise awareness about responsible waste disposal, recycling, and reducing our environmental impact. By fostering these connections, we strive to make sustainability an accessible and achievable goal for everyone in our community.
Entrepreneurs	The Entrepreneurs aim to raise school funds for extracurricular activities without placing a financial burden on families or encouraging poor spending habits. Students will develop creative projects that generate value for the school community. We want to promote teamwork, problem-solving, and responsibility while fostering practical business skills. All proceeds will directly support enriching opportunities for all students.
RRP	The Rights Respecting Parliament at St Ann's plays a key role in making our school a safe and welcoming place for everyone. Throughout the year, parliament members work together to create a child-friendly safeguarding poster and video, helping raise awareness about safety both on and offline. Members also participate in interviewing new staff, ensuring the right people are chosen to join our school community. Additionally, the RRP has the important responsibility of speaking at Church Services and leading enhancement opportunities such as MacMillan Coffee morning. Through these roles, students develop valuable skills while contributing to the school's growth and wellbeing.
