

# Have you considered a School Direct salaried route into primary teaching?

Working across  
the North West

North West Learning Partnership School Direct offer the salaried route into teaching in collaboration with Liverpool John Moores University. It is aimed at applicants with prior experience. This normally involves previous employment in a school setting but advice is available for career changers. Applicants for this employment based route should apply with the support of a school that is willing to employ them as an unqualified teacher for the duration of the programme, which is one academic year.

This Salaried training programme is unique, as trainees will benefit from accessing the successful training sessions delivered by outstanding and specialised practitioners from the established North West Learning Partnership and North West Maths Hub 3. We offer a personalised approach in the training sessions in order to facilitate individual development.

The PGCE element of the training is assessed through 2 modules with Liverpool John Moores University and is delivered by experienced and friendly staff. The University places great emphasis on high quality, innovative teacher training and recently gained outstanding in their primary provision. On completion of the PGCE you will gain Masters credits.

Trainees should have or be expected to achieve an Undergraduate Honours degree (or recognised equivalent). The degree classification should be at 2:2 or above. They should also have GCSE English Language, Mathematics and Science at grade C/4 or above (or equivalent qualification). Applications can be made without all relevant qualifications, however they will be included as a condition of any offer.
