Reading Round-up

#7 Summer 2022

Welcome to the final issue of St Ann's 'Reading Round-up' for this school year. In this issue you will find information on a variety of Summer Reading Challenges that your children can take part in and a whole host of recommended reads to enjoy together throughout our summer break. There are also suggested books to aid children transitioning from Nursery to Reception and from Year 6 to Year 7. We hope you enjoy the books and have a wonderful summer!

The importance of daily reading

At St Ann's Primary School, we believe that reading should be a fundamental part of childhood and a skill which should be developed to support lifelong learning.

Our aim is to develop and embed a strong, sustainable reading culture within the school community. Confident and competent readers will foster a love of reading through a rich and varied experience of texts in which they are empowered to exercise freedoms of choice and independence.

Inspiring children to read is their fundamental right. It underpins all learning and secures a good trajectory for personal development and an understanding of the world in which they live.

Whether you're reading a classic novel or fairy tales before bed, reading aloud to children can significantly benefit your child's life.

The impact of encouraging your child to read daily for just 15 or 20 minutes will make a significant difference to their learning in ALL subjects so please, please, please support your child in keeping it up.

How is your class doing?

This table shows how many children in each class have achieved Reading Awards this year. Remember, you get a sweet shop voucher with your Silver Award and a £5 book token with your Gold Award! Well done to all of our award winners so far!

Summer Reading Challenge

<https://summerreadingchallenge.org.uk/school-zone-src>

Each year the Summer Reading Challenge has a different theme. For 2022, The Reading Agency is partnering with [Science Museum Group](#) for Gadgeteers, a science and innovation themed Challenge that will spark children's curiosity about the world around them.

The Challenge launched in libraries on Saturday 9 July.

Children can also join in the fun online, here on the official Challenge website. Finish dates and reward items vary by location, so we recommend getting in touch with Rainhill Library to find out more about the Challenge in our area.
