HOT CHOCOLATE WITH THE HEAD

This week a number of pupils were rewarded with a treat of Hot Chocolate with Mrs Rynn. Well done to the following children who have made an excellent start to the new school year and every day show the 'St Ann's Standard'. I wonder who will be chosen by their teacher next half term?

Attendance Expectations

duced life chances

Children are expected to be in school **every day** unless they are unwell. All other reasons will be unauthorised. If your child is going to be absent, contact school and let us know before 9.20am. Children not in school may receive a phone call home or home visit. In line we our Attendance Policy, we are committed to supporting families in improving their child's attendance, before taking legal action.

Number of pupils with 100% attendance this week

Punctuality

School starts at **8.50am**. Lessons start at **8.50am**.

School gates open at 8.40am.

Children arriving after 8.50am will need to use the main entrance. Children who enter school via the main entrance will be registered as late. Regularly missing the beginning of lessons has a negative impact on a child's progress and wellbeing.

SHINING A SPOTLIGHT ON: **MATHEMATICS**

Our Maths provision at St Ann's aims to build a curriculum which develops learning and results in all pupils knowing more, remembering more and understanding

When teaching Maths, we use a variety of teaching methods and resources that allow all pupils to experience Maths success, regardless of prior starting points and previous knowledge. Over time, children will become more resilient learners are able to understand that to make mistakes, or become stuck, is a necessary step in any learning. All children will be appropriately challenged and supported in their Maths lessons through varied fluency, reasoning and problem solving – The 3 Aims of the Maths National

who

Irrespective of personal starting points, children will explore Maths in depth, and use a range of Mathematical vocabulary to reason and explain their own thinking. We strongly encourage the use of correct, subject specific terminology and children using this key vocabulary in full sentences to articulate what they are doing, and most importantly, why they are doing it. We do not want children to simply be able to recall procedures by rote, as this suggests limited understanding of why they are doing what they are doing.

Curriculum.

Visual representations, concrete manipulatives and pictorial images are used in all Maths lessons to support children's developing Mathematical understanding in a variety of ways. These include, but are not limited to, numicon, base 10, place value counters, bead strings, number lines, digit cards and hundred squares. This is inline with the CPA approach to learning – Concrete Manipulatives, Pictorial Images and Abstract Concepts. Embedded throughout Maths lessons are the 5 Principles of Teaching for Mastery.

WORLD FOOD DAY

You can support World Food Day both this week and beyond by donating food items locally and help those most in need in the borough. You can also text to donate and help make a real difference! More here: Residents are encouraged to help others by supporting World Food Day - St Helens Borough Council

The campaign will run from 13th-26th October 2022 and residents can take part by texting FEEDSTHELENS to 70085 to donate £2 Texts cost £2 (plus the standard text message rate).

If you want to donate more you can Text FEEDSTHELENS plus the amount to 70085 (you will be charged the standard message rate). For example, to donate £20, text FEEDSTHELENS £20.

HARVEST DONATIONS

Many thanks for all the donations that have been made towards our chosen Charity this Harvest –

St Helens Foodbank.

NUMBOTS & TIMESTABLE ROCKSTARS

Daily use of Numbots and TTRockstars has been proved to boost number of times table recall speed significantly, impacting positively on children's Mathematical Development.

Just as the expectation at St Ann's is to read for 5 out of every 7 each week, the expectation to access either Numbots (EY - Y2) and TTRockstars (Y2 - Y6) is the same.

The table below shows the number of children who have accessed the programmes in the last 7 days. You can show that your child has accessed either of the programmes by simply ticking the logo off in your child's home school diary. Let's do this!

PARENT INSIGHT SESSIONS

Next half term we will be opening our doors fully to parents/ carers once again, with an invitation to our new Parent Insight Sessions.

1 parent/ carer is invited to join their child for one demonstration lesson which is designed to give you an insight into teaching and learning in that subject area. Dates and times can be seen below.

Lessons will take place in the Studio to ensure there is enough space. To enter, parents/ carers should wait at the front of school by the blue Base door 5 minutes before the start of the session.

Siblings who do not attend the school are not permitted to attend for health and safety reasons.

Mobile phone should be switched off before you enter the premises.

The session will begin with a brief talk from your child's class teacher about the session you will take part in.

Children whose parents/ carers do not attend, will still take part in the lesson.

LOST PROPERTY

If your child loses an item of clothing in school, then it will be placed in our lost property boxes on school site. Should you wish to see if a missing item is in the box, please call into the school office and they can share the boxes with you. Clearly named items of clothing will likely not make it to the lost property box, as they will be simply sent back to the classroom of their owner to be reunited. It is very important that ALL items of your child are clearly labelled with their name and class. We appreciate the effort that parents and carers go to, to ensure that their child wears the appropriate uniform and, as a result, make a conscious effort to reunite missing items to the correct owner. This job is more difficult when items are not clearly labelled with names and classes. Thank you for your support with this.

POLITE NOTICE

When speaking with members of staff, please remember to do so respectfully.

Verbal abuse will not be tolerated, and could result in action being taken.

PARKING

We have had a number of complaints recently from both parents and people living close to school regarding parking. Please could parents therefore ensure that they are parking both legally and considerately when dropping off or picking up their children. Thank you.

FAMILY WORSHIP

50 will lead their family worship in the school hall on Friday 11th November @ 9.00am.

The following Family Worship will be led by 5D on Friday 25th November @ 9am in the school hall.

ST HELENS 5TH LAKE BEAVERS

On Sunday 16th October a number of St Ann's Children attended the annual Judges service at Liverpool Cathedral, to represent the St Helens 5th Lake Beavers.

The service is to mark the beginning of a new legal year. The scouts were able to meet the judges and learn a bit about what they do. It only happens once a year and the children were part of the procession inside the Cathedral.

The children were a credit to the Beavers and to St. Ann's. Well done Niamh S, Samuel M, Zara M, Niall B, William C and Sonny O.

A MESSAGE FROM ST HELENS COUNCIL

Dear Parent/Carer

SCHOOL ATTENDANCE – HOLIDAYS DURING TERM TIME

The law governing holidays during school term time was tightened up in September 2013. Parents can not authorise absences, only schools can do this. Headteachers have the discretion to grant leave but only in exceptional circumstances. However, it is highly unlikely that family holidays will be authorised.

Children and families have 175 days off school to spend time together, including weekends and school holidays, therefore schools will prioritise attendance during term time

There is clear evidence that absence from school impacts upon a child's attainment and attendance of 95% and above is deemed to be good. When a child's attendance falls to 90% and below, it is considered to be a persistent absence (PA) and parents and carers may be liable for prosecution by the Local Authority

Yours sincerely

St Helens Education Welfare Service

SUPER LEADERS

On Friday 4th November, we will be embarking on our first Super Leaders afternoon of the year. Super Leaders encourages children to champion different personal development skills such as being effective communicators, team workers and creative thinkers. This year, each class will be given the opportunity to be a member of a new Pupil-Lead Team (as seen below). We can't wait to see the impact each team's ideas have both in our school and in the wider community!
