### Y6 CURRICULUM VISIT TO THE WORLD MUSEUM

Year 6 has a fantastic time on our trip to the World Museum in Liverpool. We were fortunate enough to spend the day exploring the general exhibits across the venue, before completing a treasure hunt around the Egyptian exhibition, recapping our history unit from the autumn term. We saw real mummified remains, including humans and animals. Both classes experienced a workshop explore the evolution of human life from the stone age to the iron age. They sharpened flint, used a grindstone and held replica Viking and Egyptian swords. A fantastic experience for our children.

### Punctuality

School starts at **8.50am**.  
Lessons start at **8.50am**.

School gates open at 8.40am.

Children arriving after 8.50am will need to use the main entrance. Children who enter school via the main entrance will be registered as late. Regularly missing the beginning of lessons has a negative impact on a child's progress and wellbeing.

### Attendance Expectations

Children are expected to be in school **every day** unless they are unwell. All other reasons will be unauthorised. If your child is going to be absent, contact school and let us know before 9.20am. Children not in school may receive a phone call home or home visit. In line with our Attendance Policy, we are committed to supporting families in improving their child's attendance, before taking legal action.

## SPRING PARENT INSIGHT SESSIONS Y1 -Y5

Next half term the second Parent Insight session of the academic year will take place.

1 parent/ carer is invited to join their child for one demonstration lesson which is designed to give you an insight into teaching and learning in that subject area.

Dates and times can be seen below.

This term's Parent Insight session will focus on Maths.

Lessons will take place in the Studio to ensure there is enough space. To enter, parents/ carers should wait at the front of school by the blue Base door 5 minutes before the start of the session.

The session will be approximately 45 minutes in length.

Siblings who do not attend the school are not permitted to attend for health and safety reasons.

Mobile phone should be switched off before you enter the premises.

The session will begin with a brief talk from your child's class teacher about the session you will take part in.

Children whose parents/ carers do not attend, will still take part in the lesson.

In order to maximise Y6's learning time during the Spring term, Y6 will not be running a Parent Insight session. EYs will be hosting Stay and Play instead.

## FAMILY WORSHIP

Our next Family Worship will be led by 2B, all about Fair Trade, on **Friday 3 March** at 9am in the school hall.

## A SPOTLIGHT ON:

### Music

At St Ann's, the Music curriculum is taught through the use of the Charanga scheme of work. Through Charanga, our children are taught to: listen and appraise different genres of music; perform songs involving both singing and playing instruments; have opportunities to improvise and compose their own music; have opportunities to experience performing in front of an audience.

Our philosophy of music education at St Ann's is based on the principle that it should be fun and engaging for all concerned, and that every child is a born musician.

We believe that music is like magic and that it has a role to play in every aspect of all of our lives, wherever and whoever we are.

Our Music curriculum engages and inspires pupils to develop a love of music and allows them to grow and explore their talents as young inspiring musicians. Through the curriculum, children can build further on their self-confidence and creativity, leading to a strong sense of achievement through the art of music.

We believe our Music curriculum supports and furthers our mission to uphold a true sense of community, with ample opportunity to create, perform, play and simply enjoy music together with peers, staff and family. This also allows children to develop a deeper awareness of others through performance where talent can be celebrated and shared.

In Years 2-6 our children also benefit from being taught by subject specialists from the St. Helens Music Education Hub. These specialists further enhance the Charanga scheme of work and our children thoroughly enjoy drawing upon their knowledge and expertise. They certainly inspire and motivate our children to further develop their musical talents.

At St Ann's we have a very popular Choir, who we are incredibly proud of. The children in our school Choir benefit from being led by a very talented Choir Director, who is extremely passionate about all things musical! The Choir have enjoyed singing at a variety of different events in our local community and event organisers are always full of complements! Our Choir really showcase the endless talent and creativity that we have here at St Ann's!

## INDUSTRIAL STRIKE ACTION UPDATE

The next day industrial strike action will affect our school in on **Tuesday 28th February 2023**.

Many thanks for your patience while we have been working with the staff, Trust and unions to find out what the impact will be for us at St Ann's. As per the email dated 22<sup>nd</sup> February 2023, on 28<sup>th</sup> February school will be closed to the following classes EYP, EYR, 3E, 3H & 4F

We realise that this may cause you disruption, for which we apologise. We wish to assure you that we will be taking all reasonable steps to minimise disruption to pupil learning. We are sure that all members of the Trust/school community will continue to treat each other with respect. We would like to take this opportunity to thank you for your patience during this time.

## CORONATION OF KING CHARLES III

We will be celebrating the King's Coronation on Friday 19th May. We are looking for parent volunteers to help us plan our celebration. If you think you can help us, please contact the school office with your details.

Thank you

### Online Safety Newsletter February 2023

#### How old is your child online?

Has your child (or you on their behalf) signed up to access social media or a game online but have said that they are older than they are so they can have an account? For example, did your 8 year old join TikTok and put their age as 13 or did you create their account and put your own age? If so, please read some of the implications outlined below that you should think about.

If TikTok thinks your child is 13 when they join but they are in fact 8, then by the time your child reaches 13, the app will think they are 18. This puts your child at risk of viewing content that is not age appropriate and may mean your child will view adverts aimed at adults.

In addition, now the app thinks your child is an adult, they will have access to all functionalities (whereas some apps place restrictions on access to under 18s for example to direct messaging).

The following news article from Ofcom explains this in further detail as well as providing tips to help keep your child safe online:  
<https://www.ofcom.gov.uk/news-centre/2022/tiktok-for-children-using-fake-ages-on-social-media>

#### Age ratings

Parent Zone provide some advice on age ratings and why they matter in this blog:  
<https://parentzone.org.uk/article/age-ratings>

#### PUBG (PlayerUnknown's Battlegrounds)

PUBG is available on multiple platforms and is rated **16+ by PEGI**, therefore it is not suitable for persons below 16 years of age. PEGI state that this game has been rated PEGI 16 "due to frequent, moderate violence towards human characters and encouragement of drug use" (<https://pegi.info/>).

PUBG is an online multiplayer game, in which a group of players play against each other until they are the only remaining player. One hundred players are dropped on to an island and they need to search for items, such as backpacks, body armour and guns.

**What do I need to be aware of?**  
 Parents need to be aware that this can be an addictive game, in game purchases are available and due to the live chat, inappropriate or offensive language may be heard/seen.

If your child is playing this game, then make sure they know how to use the reporting and blocking facilities within the game and they know to speak to a trusted adult should they need to.

**Further information**  
 Bark provides further information on PUBG as well as how to apply settings:  
<https://www.bark.us/guides/gaming-pubg/>

#### HiPal – Walkie Talkie

HiPal – Walkie Talkie is a social media app and rated **12+ on the App store** and for 'Teens' on Google Play.

When first accessing HiPal, it asks you if you are under or over 12 years of age. The area available to under 12 year olds states that no stranger interaction can take place. Users with this account type invite friends by sharing a code/QR code. As with all messaging apps, there can be instances of cyberbullying, so it is important to monitor who your child is interacting with.

If a user selects that they are over 12 years of age, then there is the risk of communication from strangers. HiPal features a public square where you can message strangers as well as an explore tab where you can view people's images and videos from around the world. There is a risk of viewing content that is not suitable or inappropriate. There are reporting and blocking features within the app. You can find out more from Safer Schools NI here:  
<https://safer-schools-ni.co.uk/hipal-walkie-talkie-and-wier-social-app/>

Users of this guide do so at their own discretion. No liability is entered into. Current as of the date released 1.2.23.

#### Fall Guys

Fall Guys is a free, online multiplayer game in which players team up to take on obstacle courses and puzzles to try and be the last player standing. Fall Guys is available on multiple platforms.

Whilst this game has a PEGI rating of 3 (suitable for all ages), you need to be aware that up to sixty people will be playing in one game at the same time and it does have the option of voice chat and in-game purchases. Voice chat is off by default and is not needed to play the game. An Epic Games account is required to play Fall Guys, which does include parental controls. You can find out more here:  
<https://www.epicgames.com/site/en-US/parental-controls>

#### Instagram: new features

**You must be at least 13 years old to have an Instagram account.**

Instagram have introduced several new features, including "Quiet mode", how to hide content as well as additional tools to help your child.

**Quiet mode**  
 This gives users the ability to put their account in quiet mode, so you do not receive notifications and if you receive a DM, the sender receives an auto reply. This mode will help provide less distraction whilst studying and at nighttime.

**Recommendations**  
 You can now hide content in Explore that you do not wish to see/are not interested in. Instagram will use this information to avoid showing you that type of content in other areas where content is recommended as well.

**Hidden words**  
 You can already hide comments and DMs containing specific words, but this feature has now been expanded to recommended posts. If you add a word, emoji or hashtag that you want to avoid to your hidden words (in privacy settings) then Instagram will try to no longer recommend content with those words in the caption/hashtag.

**Updated Parental Supervision Tools**  
 You can see your child's Instagram settings (if you have set up a supervised account), including their privacy and account settings and accounts your child has blocked. If your child updates a setting, then you will receive a notification to inform you.

**Find out more**  
 You can read more about the new features here:  
<https://about.fb.com/news/2023/01/instagram-quiet-mode-manage-your-time-and-focus/>

#### Sky Broadband Shield

Do you have Sky Broadband? Sky offer a set of free tools to all customers to help make the internet a safer place for your family, for example safe search. You can find out more about the settings available and how to set it up here:  
<https://www.sky.com/help/articles/sky-broadband-shield-start>

#### Spotify

There have been news reports claiming grooming has taken place on Spotify (source: <https://www.bbc.co.uk/news/uk-england-manchester-64262918>).

Spotify is a music streaming service. You should be over 18 years of age to agree to the terms, or if older than 13, obtain parent/guardian consent.

There is a Spotify Kids version, but it is only available as part of a Premium (paid for) Family plan.

Spotify have produced this Parental Guide to assist you with further information but if your child does use Spotify then it may be beneficial to have a chat about what they are viewing:  
[https://www.spotify.com/privacy/files/Parental\\_Guide.pdf](https://www.spotify.com/privacy/files/Parental_Guide.pdf)

You can find out more about Grooming and who to contact here:  
<https://www.ncsc.gov.uk/what-is-child-abuse/types-of-abuse/grooming/>

#### Is your child playing Gacha Life?

Gacha Life is rated as 9+ on the App Store and for 'Everyone' on the Google Play Store. Players can dress up characters and add props (including weapons) and create scenes with their characters as well as play games. The app does allow in-app purchases ranging from £1.70 to £17.99 and does include adverts. This article from Internet Matters provides further information and discusses in detail what you need to be aware of:  
<https://www.internetmatters.org/hub/safety-news/what-is-gacha-life-what-parents-need-to-know/>
