Attendance Expectations

Children are expected to be in school **every day** unless they are unwell. All other reasons will be unauthorised. If your child is going to be absent, contact school and let us know before 9.20am. Children not in school may receive a phone call home or home visit. In line with our Attendance Policy, we are committed to supporting families in improving their child's attendance, before taking legal action.

EVERY SCHOOL DAY COUNTS TIPS FOR PARENTS BY PARENTS

Don't give in!
Follow through.

Be organised! Get everything
ready from the night before. Have
their coats and bags at the door,
their lunch made and their clothes
on the banisters.

Treat it like a military
operation in the
morning!

Don't give them a
choice to stay at
home.

Give yourself 15
minutes before the
kids get up.

No TV, iPad or
phones allowed in
the morning.

Keep talking about
the importance of
school.

Early to bed the night
before school, especially
after holidays.

Come back to school
after doctor/ dentist
appointments.

Know how many
days your child has
missed in school.

Number of pupils with 100% attendance this week

370

Punctuality

School starts at **8.50am**.
Lessons start at **8.50am**.

School gates open at 8.40am.

Children arriving after 8.50am will need to use the main entrance. Children who enter school via the main entrance will be registered as late. Regularly missing the beginning of lessons has a negative impact on a child's progress and wellbeing.

YEAR 4 MULTIPLICATION TABLES CHECK

Immediately following our half term holiday, all Y4 pupils will take part in the statutory times table check. The Multiplication Tables Check will be administered over a two week period starting on w/c Monday 12 June 2023.

Children will be tested using an on-screen check (on a computer or a tablet), where they will have to answer multiplication questions against the clock.

The test will last no longer than 5 minutes. Answers will be marked instantly. Children will have 6 seconds to answer each question in a series of 25. Each question will be worth one mark and be presented to the child in this format:

$n1 \times n2 = \underline{\hspace{2cm}}$

Questions will be selected from the 121 number facts that make up the multiplication tables from 2 to 12, with a particular focus on the 6, 7, 8, 9 and 12 times tables as they are considered to be the most challenging. Each question will only appear once in any 25-question series, and children won't be asked to answer reversals of a question as part of the check (so if they've already answered 3×4 they won't be asked about 4×3).

Once the child has inputted their answer on the computer / device they are using, there will be a three-second pause before the next question appears. Children will be given the opportunity to practise answering questions in this format before the official check begins.

The six-second time limit per question has been decided on by the DfE because it should allow children enough time to demonstrate their recall of times tables without giving them the time to work out the answers to each question.

Helping your child to prepare is easy! Simply ensure they access TTRockstars daily – we would recommend children play 3 games each day. Watch as their score rapidly improves.

YEAR 1 PHONICS CHECK

School will administer the Phonics Screening Check the week beginning Monday 12 June 2023 to all Y1 pupils and to Y2 pupils who failed the check in December.

The Phonics Screening Check shows how well your child can use the phonics skills they've learned, and to identify children who need extra phonics help.

The checks consist of **40 words and non-words** that your child will be asked to read one-on-one with a teacher. Non-words (or nonsense words, or pseudo words) are a collection of letters that will follow phonics rules your child has been taught, but don't mean anything – your child will need to read these with the correct sounds to show that they understand the phonics rules behind them.

You can download the Department for Education's official [Year 1 Phonics screening check past paper from 2012, 2013, 2014, 2015, 2016, 2017, 2018, 2019 & 2022](#) to get an idea of what your child will be asked to do.

Your child will be scored against a national standard, and the main result will be whether or not they fall below, within or above this standard.

You can help your child prepare for their Phonics Screening Check by going over the phonics they've learned in Reception and Year 1. Read new books and stories with them where they will be introduced to new words that they'll have to sound out, and [review the phonics sounds and rules](#).

As always, if you have any questions regarding the check, simply speak to your child's class teacher.

WANTED: MIDDAY SUPERVISOR

Are you interested in becoming a Midday Supervisor at St Ann's? We are looking to recruit a Midday Supervisor on a zero-hours contract to cover on an ad hoc basis. Please direct your expression of interest to our school office to find out more. We look forward to you joining our school team soon!

CLASS PHOTOGRAPH DAY

It is whole class photograph day on Friday 16th June. All children should wear full and correct winter school uniform with black shoes. Y6 school wear normal jumper/ cardy (not Leavers' Hoodie).

Year 4 are on their trip to Formby beach on this day therefore please can the children come to school in uniform with their PE Kit in a bag to change into (please note this differs from the original letter sent out). Please also ensure that your child has a sun hat, bottle of water and sun screen.

Y5/6 LAKE DISTRICT RESIDENTIAL PARENT MEETING

On **Monday 19th June @ 5pm** we are holding a meeting for parents/ carers of children participating in the Lake District Residential. The meeting will be held in the school hall. Please wait by the side gate next to the blue Base door to enter the premises.

FAMILY WORSHIP

Our next Family Worship will be led by 1A, all about Mindfulness, on **Friday 23 June** at 9am in the school hall.

NEW INTAKE PARENT/ CARER WORKSHOP

On Tuesday 13th June at 5pm we are holding an intake meeting for parents/ carers of children who are joining Reception in September. This is an introduction to our school. The meeting will also talk

parents through the Early Years curriculum.

Wait by the front side gate (near the blue Base door) to enter the premises.

CURRICULUM & CULTURAL VISITS

This week our Y3 children enjoyed a trip to Liverpool Empire to watch the stage show 'Annie'. A thoroughly enjoyable time was had by all.

Next week Y2 will visit the Liverpool Philharmonic, EYs will take part in Song Fest at St Helens Town Hall and Y4 will go to Formby Beach. Please refer to separate letters for further information.

A SPOTLIGHT ON: PARENT FORUM

At St Ann's we have a Parent Forum. The purpose of the Parent Forum is to provide another channel of communication between home and school.

The group meet to celebrate the work of our school and to offer a parental perspective on agenda items. Minutes of the meeting are posted on the school website. At the end of the academic year an impact report is produced. This is also uploaded onto our website. The forum meets once a term and they are supported by the school's senior leadership team. *Individual matters are not addressed at Parent Forum as this is a public forum that only meets once a term.*

Parents nominate themselves to be their child's Class Rep. If more than one parent/ carer applies to be the representative for a particular class, a parent/ carer who has previously not held the role will be randomly selected (names drawn from a hat). Parents/ carers who have previously held the position can be able to be a representative again as long as there is no other interest.

Agenda items have included;

- Review of school aims
- Parent Insight Sessions
- Homework and school APPs
- School's promotion of online safety
- Analysis of parent and pupil surveys
- Pupil mental health and wellbeing
- School Hardship Fund
- Cultural & Curriculum visits
- Remote Education

*Our next Parent Forum session for our Reps will take place on **22 June at 2pm**. Please speak to your child's Class Parent Rep should wish for anything to be raised at the meeting. We look forward to seeing our Reps then.*

TRANSITION VISITS

Over the next few weeks, as part of our transition, our EYs teachers will be visiting next year's Reception intake in their pre-school settings.

YEAR 4 TIMETABLE COMPETITION

Not long to go now!! Keep up the good work Year 4. We will publish the results in next week's Newsletter.

TIMESTABLE ROCKSTARS

Welcome back to our final term everyone! The TTRS battles will begin again next week.

Children will be battling for the title of 'Times Tables Rock Stars Champion'. In the newsletter we will announce the names of the children in each class who have earned the most coins over the next 7 days.

Remember, little and often is the best way to encourage your child to use TTRS. Children should play TTRS 5 times a week for just 3 – 4 minutes a day! This will make a real difference to their times table knowledge.

YEAR 6 LEAVERS' SERVICE AND SCHOOL CHOIR PERFORMANCE AT ANGLICAN CATHEDRAL

On **Tuesday 13 June** our Y6 children will attend the Leavers' Service at the Anglican Cathedral. Our school choir will also be performing at the event.

The service is a celebration of life at primary school and about looking forward to moving on to secondary school. This year the content of the service is based on the account of the Israelites entering the promised land and the walls of Jericho collapsing, and will be led by 'In Another Place'

TRAVEL ARRANGEMENTS

All children will leave school by coach in the morning to take part in workshops and possibly a tour of the cathedral. The service will commence at 1pm. The service will last approximately 1 hour. Children will return to school via coach. Traffic permitting, we will return to school in time for the end of the school day. If timings change, we will communicate this to parents at the earliest opportunity.

PARENTS/ CARERS OF Y6 & CHOIR CHILDREN

The cathedral is open to the public at the same time and therefore it is possible for parents/ carers to attend this service. Parents/ carers are seated separately from all schools who will attend this special service. Parents must make their own way to the cathedral. Parents/ carers will not be able to collect their child from the service

WHAT TO WEAR

Children should wear full school uniform with black school shoes (not PE kit or Leavers' Hoodie). This is to both look smart, and also for health and safety reasons.

DONATIONS

World Vision

This year the Diocese are supporting World Vision Charity and especially their work in supporting children and families in Ukraine. This link illustrates some of the work that they are doing [Donate to help children in Ukraine | World Vision UK](#)

To help with this there will be an opportunity during the service for children to bring donations forward (as in previous years). If you would like your child to make a donation, please send this into school with them in a labelled envelope.

Please note, there may be official photographs taken at the service for use in diocesan publicity.

SPORT COMPETITION UPDATE

Keystage 2 Swimming Gala

During the last week of last half term, we entered our first Primary School Swimming Gala. Both Boys and Girls who represented ST Ann's did so impeccably. We are very lucky to have a good group of very strong swimmers who managed to finish in third place overall after winning many of their heats. Special mention to the girls who swim outside of school for their encouragement and sportsmanship when cheering on competitors, who were experiencing a competitive Swimming Gala for the first time.

BLACK HISTORY MONTH ART COMPETITION

This year's Black history month Art competition is "**BLACK AND PROUD.**" The competition has been organised jointly by Merseyside Police and partners spanning the 5 boroughs of Merseyside (St Helens, Wirral, Sefton, Liverpool, Knowsley) and is supported by the International Slavery Museum Liverpool. Primary school pupils from across Merseyside are invited to design a poster to celebrate Black History.

What is Black history month? October is Black History Month in the UK, an event that has been celebrated nationwide for more than 30 years, to recognise the contributions that people of African and Caribbean backgrounds have made to the UK over many generations. Now, Black History Month has expanded to include the history of not just African and Caribbean people but Black people in general. We have created a poster that will give your students some inspiration, we have selected figures who made positive difference.

These include.

Frank Arthur Bailey: Frank was a Guyanese-British firefighter and social worker who is known as being one of the first black firefighters in the United Kingdom. In 1953, he moved to London and came across a [Fire Brigades Union](#) (FBU) delegate who told him that black people were not employed by the fire service because they were "not educated or strong enough", though he challenged this by applying as a firefighter. In 1955, he was accepted and became one of the first black firefighters in the UK.

Mary Prince: Mary was the first Black woman to publish an autobiography in Britain. Back in 1831 her life story, *The History of Mary Prince, A West Indian Slave*, revealed the horrifying truths of the slave trade and helped the movement to end slavery.

Dr Oliver Lyseight: Oliver migrated to England from Jamaica in 1951, was the founder of one of Britain's largest black majority churches, and was a spiritual leader to the "[Windrush generation](#)", the first Caribbean to emigrate in significant numbers to post-war Britain, notably in 1948 on the [HMT Empire Windrush](#).

Lilian Bader: Lilian Bader one of the first Black women to join the armed forces. Throughout her life, Lilian was vocal about racism and prejudice in Britain and strived to ensure that the contribution of Black military personnel was acknowledged in British history. Referring to her family's involvement in the British military and the lack of recognition they received, she noted: *"Father served in the First World War, his three children served in the Second World War. I married a coloured man who was in the Second World War, as was his brother who was decorated for bravery in Burma. Their father also served in the First World War. Our son was a helicopter pilot, he served in Northern Ireland. So all in all, I think we've given back more to this country than we've received."*

Why get involved? Great opportunity for primary school pupils across Merseyside to get involved and work in partnership with Merseyside Police, the councils, museums to celebrate the influence and achievements of Black people who have contributed and influenced shaping the UK.

What will your school get out of it? The winning school from each borough will have the artwork branded on Police vehicles across Merseyside and a tour of the International Slavery Museum with the winning artworks been displayed at the museum. There will also be an opportunity for all the winners to attend Merseyside Police Headquarters for a tour, introductions with the command team and opportunity to be interviewed by our media team. Competition is open to all primary schools across Merseyside, maximum of 3 entries per school, winning school for each area will be announced in 1st half of the autumn term.

Please do not include politically divisive content so we do not have to censor the artwork.

Format of your school's artwork. We would like you to submit your entry via email, therefore we would need to provide a digital copy, either a good quality photograph or a scanned version of the artwork either A4 or A3, landscape or portrait. Please keep file size to a maximum of 5mb. Please ensure that any images of family or friends that your students may decide to use have their permissions and don't breach copyright laws.

Send entries to Crimebeat@merseyside.police.uk

The following link can be used as resources for students preparation [Legacies of transatlantic slavery | National Museums Liverpool \(liverpoolmuseums.org.uk\)](#)

Please state your school's name and which area the school is from when submitting your artwork.

CHARLIE WALLER FREE WEBINARS

We run live webinars for anyone who looks after children and young people - parents, carers, educators - as well as young people themselves and anyone interested in psychology or mental health. All of our webinars are presented by our mental health trainers, speakers and guest speakers who come from a wide range of professions, including education, psychology, social work, youth work, public health, psychotherapy and nursing. Past topics have included: the teen brain, sleep, supporting a highly sensitive child, and perfectionism. The webinars explore practical, evidence-based strategies for maintaining positive mental health, whether that's paying attention to our own wellbeing, or how to support those around us. If you have any questions about our webinars, please email:

Supporting young people: Highly sensitive young people

Sarah Ashworth

In this webinar, Sarah will explore why some children and young people (and adults, too!) are more sensitive than others and what we can do to help them develop resilience in the face of life's many challenges. Why is it that some children and young people seem to be more affected by and sensitive to the things that happen to them than others? In this webinar, Sarah will discuss:

Some of the evidence suggesting that although some individuals are more sensitive to the negative things that happen to them in their environment, they are also more likely to benefit from positive changes in their lives than their peers
Strategies for supporting sensitive children to develop resilience and fulfil their innate potential.

Supporting young people: Self-esteem

Andy Caress

In this webinar we will discuss:

The concept of self-esteem and how children and young people are affected.

Internal and external stressors

The role of parents, carers and family members in helping to nurture healthy levels of self-esteem.

Practical strategies for offering support, challenging negative self-talk, and helping young people celebrate their efforts and achievements whilst not expecting perfection.

Perfectionism

Professor Roz Shafran

This webinar is designed to support participants' understanding of unhealthy perfectionism and give some ideas for how to begin the process of change. We will explore:

The difference between unhealthy perfectionism and healthy striving for excellence

The negative impact of perfectionism in a variety of areas, including mental health

The research showing the approach that has been found to be helpful

Strategies to help reduce unhealthy perfectionism

From surviving to thriving: Supporting the wellbeing of autistic children and young people

Jo Billington

Many autistic children and young people have difficult school experiences and poor mental health. Using a combination of research evidence and the lived experiences of autistic people across the lifespan, this talk considers how supporting adults (e.g. parents, carers and school staff) can be effective allies and make a positive difference in the everyday lives of autistic children.

This webinar will cover:

How we can use neurodiversity-affirming approaches to validate autistic children's experiences

How small environmental changes can have a significant impact on wellbeing.
