

Teacher Features

This Week's Overview

Jessica Mc has wowed us all with her wonderful singing of 'You'll Never Walk Alone.' #AStarInTheMaking

Scarlett has been making the most of the sunshine and has done her own mini beast hunt this week!
#OutdoorLearning

Bobby and Orla have been kept busy with their new pet rabbits, Pickle & Duncan. #CaringForOthers

Ewan has been inspired by 4F's shared novel - The Boy at the Back of the Class and has written a letter to the Queen this week. We can't wait to see if Ewan gets a reply! #LoveOfLearning

@StAnnsRainhill

Year 5

Hello Year 5!

We hope that you have had a fantastic Easter break. It has been lovely to see updates from you over the past couple of weeks and we ask that you continue to update us through our school Twitter and Facebook pages. We really enjoyed hearing about our budding young actress Lilly H appearing on CBBC, a star in the making.

As well as beginning your new packs on Monday, think back to our most recent Lunar topic, think about the different types of research that you carried out on your chosen country. Can you recall some of these interesting facts with your family? Can you compare these to what you already know about where we live?

Mr Evans & Miss O'Shea

'Why fit in when you were born to stand out?' Dr Seuss

Year 1

Hi Year 1!

It has been so lovely to see some of your smiley faces on your bikes and scooters as you collected your home learning packs this week and hearing some of the exciting things that you have been up to over the Easter weekend!

Thank you for keeping us updated about yourselves through emails and tweets over the past couple of weeks! Sofia has been busy working on an exciting story book which she is looking forward to sharing with us all, whilst Scarlett T has been hunting for minibeasts in her garden!

Now that Spring has officially sprung and our days are getting longer and warmer, we're sure that many of you are spending more time in outdoor spaces. Why not take your favourite toy or teddy outside (along with a piece of paper and pencil) and create some fabulous shadow drawings!

Don't forget to share these with us on Twitter

#SpringShadows

Year 3

Hi Year 3!

We hope you've had a lovely Easter and are ready to send us some more of your fantastic work.

Well done to Euan and Douglas for completing the hardest level of programming using PurpleMash – we're super impressed. I wonder, who else can complete it this week?

Our next topic should have been 'Why do rivers never run dry?' It would be great to see your facts, pictures and research that could answer this question.

We miss you all so much!

Mrs Greenough & Mrs Robinson
