 Lessons start at **8.50am**.

School gates open at 8.40am.

Children arriving after 8.50am will need to use the main entrance. Children who enter school via the main entrance will be registered as late. Regularly missing the beginning of lessons has a negative impact on a child's progress and wellbeing.

CHRISTINGLE CHURCH SERVICE

The Christingle Service is taking place at St Ann's Church this Sunday 1 December @ 4pm

Everyone is welcome, we'd love to see you there!

LOCKDOWN PRACTICE

As well as having regular fire drills at St Ann's, we also practice what to do in the event of a lockdown. The difference between the two however, is that we give the children some notice about the lockdown practice to mitigate any worries they may have in relation to this.

All being well, our lockdown practice will take place this half term. Prior to the lockdown, teachers will talk to their class in an age-appropriate way about what a lockdown is and what we do when a lockdown is announced to keep safe. You may like to talk to your child about this at home, and ask them about what happens in their class when this is announced.

BREAKFAST WITH SANTA

We are getting ready for a magical morning full of festive cheer, delicious breakfast treats, and, of course, a special visit from Santa himself! This event is set to be the highlight of the half term, and we're so excited to bring our school community together to celebrate.

Children will be joining us to enjoy for festive music, a little treat, and plenty of festive joy!

If you have purchased your tickets for this event they have previously been sent out this week via your child's book bag. Children attending Breakfast with Santa should queue up by the side gate near the Base door ready to be collected.

PARENT FORUM VACANCIES

We have a number of vacancies on this year's Parent Forum. We are keen to fill these, so if you are interested please contact Mrs Rynn via the school office. We look forward to hearing from some parents/ carers soon.

FAMILY WORSHIP

Well done to 4S on a wonderful Family Worship.

On **Friday 6 December at 9.00am**, 4H will lead their Family Worship in the hall.

Please wait at the back of school by the hall door ready to be let in.

LUNCHTIME CHOICES AT ST ANN'S! 🍴

We're thrilled to share some exciting information about our school lunches, provided by Mellors, thanks to your valuable feedback from Parent Forum.

Our hot meals follow a delicious two-week rolling menu, packed with crowd-pleasers such as Roast Turkey, Pizza, Curry, Fish and meatballs just to name a few! Details of the two week rolling menu can be found below and is also available on our website, so why not take a look and help your child decide? <https://www.rainhillstanns.co.uk/page/?title=School+Dinner+Menu&pid=46>

Each meal costs just £2.32 and children will be able to choose from 3 choices including a 1st choice hot meal, a 2nd choice jacket potato with various fillings or a 3rd choice of a variety of sandwiches. In addition to this, children are welcome to select various vegetables to accompany their meal choice. In order to satisfy their 'sweet tooth', children will also select a dessert from dessert of the day or fresh fruit and vegetables.

Each day, you and your child can decide whether they fancy a tasty hot meal from school or a packed lunch brought in from home. There's no need to commit to one choice for the entire week - choices are made daily when class teachers take the dinner register each morning. This means parents only pay for the hot meals their child enjoys, with accounts debited accordingly.

So whether it's Meatball Mondays, Chicken Tuesdays or the ever-popular Fishy Fridays, we are sure your child

DISABLED CHILDREN AND YOUNG PERSONS REGISTER

If you are the parent or carer of a child aged 0 - 25, you can sign them onto the Disabled Children and Young Person's Register.

This register is maintained by the local authority and allows services to keep in touch with families about what is available in their area, as well as informing them of any changes or developments that may affect their child.

The information collected helps the local authority to set up and review support services more effectively.

Registration is optional, and more information including how to sign up can be found by following this link:

<https://www.sthelens.gov.uk/article/10484/Disabled-children-and-young-person-s-register>

A SPOTLIGHT ON: READING OFFER

Reading is taught at St Ann's using a wide variety of high-quality fiction, non-fiction and poetry texts. Core texts are carefully mapped out across the school to ensure there is progression between and within year groups. Core texts are used both to develop reading skills and as 'drivers' for writing units (details of the texts used in each year group can be found on the whole school 'Reading Spine'). Each class reads at least six complete class novels across the year, studies at least six poems and is exposed to a range of non-fiction.

Phonics: Decoding and Fluency

All children start the Read Write Inc phonics programme from day 1 in EYFS (Reception). They continue to follow the RWI programme through Reception and KS1 until they have learnt the phonics code and can read decodable age appropriate texts fluently. RWI interventions run in LKS2 for children who have not yet mastered the phonics code. These sessions are in addition to the children's reading comprehension lessons to ensure children are developing both their fluency and reading comprehension skills. RWI Fresh Start is used with children in UKS2 with SEND/ an identified additional need, who still need to develop their knowledge of the phonics code and develop their fluency. Fresh start texts are matched to children's sound knowledge but the subject content of the books is more appropriate for older pupils, which helps to engage and motivate children to read.

Comprehension

Comprehension is taught across the whole school to ensure children are simultaneously learning how to read and to understand what they read. The development of comprehension skills starts in Reception where children complete 'Talk through Stories' sessions. These are completed verbally and allow children to talk about books that are read to them by an adult. Using texts beyond the children's own reading abilities allows them to develop their comprehension skills and understanding of books more effectively than if just using the RWI decodable books alone.

In KS1 children begin to access whole class reading comprehension lessons. In Year 1, these sessions include both verbal and written sessions (written sessions are usually in English books at the start of the 'reading to writing' journey). As children move to Year 2, all comprehension lessons are recorded. The number of comprehension sessions taught in KS1 increases as children progress through the key stage.

In KS2 children complete four whole class reading sessions a week. During reading comprehension lessons children study the class novel, additional fiction extracts or a poem, and a non-fiction extract. Reading comprehension lessons are designed to not only develop comprehension skills but also to aid the children's reading fluency development. This is done using a range of the following reading techniques: Teacher modelling reading (so children hear an 'expert' model how to read); Echo reading (children listen to the teacher model and 'echo' back); Peer to peer partnered reading (either of a new section of text or re-reading a section previously modelled by the teacher); Reader's Theatre (New initiative to be introduced in September 2024). Comprehension lessons are designed so children have the opportunity to read a variety of texts, answer questions from all the reading content domains, as well as meeting the objectives as set out in the 2014

Home-School Readers

Children who are still developing the phonics code take home the RWI books which match their phonics knowledge. Each pupil takes home two books: One which has been read in school to allow for re-reading of texts, in order to develop fluency; One unseen 'Book Bag Book' which allows children to apply their phonics knowledge to an unseen text.

Once children have completed the RWI phonics programme, they are benchmarked using the PM Benchmarking programme. Books are then sent home which match the children's benchmark level. Once children have become fluent and confident readers, they become 'Free-Readers' and are able to select books from the class library, which is stocked with carefully selected age appropriate books. Staff support pupils in the process of selecting 'free-reader' books.

All children also take home a 'Sharing Book' to share with their families. As a school we know that reading and being read to is one of the key indicators for future success and we want to promote a love of reading in all our pupils. The 'Sharing Book' a child takes home, may be beyond a pupil's reading ability but has the aim of generating a love and interest in reading amongst our children and to create special reading moments amongst family members. These books are designed to be read to children rather than by them.

WINTER HOLIDAY ACTIVITY & FOOD PROGRAMME

SAFEGUARDING TOP TIP #10:

Helping your child to make friends

Work together to grow their friendship skills

Talk to your child about what makes a good friend, and practice friendship skills such as listening, sharing, compromising, and negotiating. Sit together and explore examples in everyday life and from TV and books. This will help your child think about what makes a good friend and feel less worried about friendship issues.

Help them to gain confidence

If your child is shy, this can make it feel more difficult to make and keep friends. Give your child lots of opportunities to connect and communicate with you in whatever ways you feel comfortable for them. Practising with you will give them more confidence to connect with others.

Model positive and healthy relationships

Happy relationships between parents and significant adults lead to better mental and physical health for all involved. Children thrive emotionally when they see and are involved in warm and caring relationships where they are respected and valued.

Reassure them that it's natural for friends to fall out sometimes

Children's friendships often change and can look different depending on your child's age and stage of development. While having friends at school is important, it is perfectly ordinary for your child to have difficulties with their friendships. Let your child know that being friends doesn't always mean agreeing or getting along with others all the time.

Talk the talk

Sometimes children can find it difficult to know how what they can say when talking with their peers. You can help your child by practicing what they can say to introduce themselves to someone new or to make a new friend. Help children to think of questions they can use to make connections with friends, such as:

Would you like to play football or something else during break?

Can I sit next to you in class?

Do you want to play catch?

5BF ARE READING FOR PLEASURE!

5BF are thoroughly enjoying reading the Thomas Taylor series. They started with Malamander as their class novel and have now moved onto Gargantis! The children have enjoyed this so much that many of them have been inspired to go away and purchase their own copies! We are so proud of them all. #ReadingForPleasure. #LoveReading

WELL DONE CHOIR

A special well done to our KS2 Choir who sang beautifully and did us proud at last weekend's Rainhill Christmas Lights Switch On. If your child would like to join our KS2 Choir, please contact the school office and let us know. Choir is every Monday evening 3.20-4.30pm

COMING UP:

Y3 VISIT TO SHAKESPEARE NORTH PLAYHOUSE ALICE IN WONDERLAND & Y6 WORLD MUSEUM VISIT

Year 3 will be attending The Shakespeare North Theatre on 10th December to watch 'Alice in Wonderland'. This experience for the children allows them to immerse themselves into live productions and see a performance up close rather than behind a television screen. We are very excited for this cultural offer after a busy start to the year.

Year 6 are excited to be visiting the World Museum in Liverpool on 17th December! We're particularly looking forward to exploring the fascinating Egyptian exhibits and getting hands-on in a mummification workshop. For more information, please refer to the previous letter sent home.

CHRISTMAS PARTIES

It's nearly Christmas party time! Dates and times can be seen below. On the day of your child's Christmas party, they should wear their party clothes to school (bearing in mind that we will still be outside at playtime and lunchtime), and bring in one Christmas party snack e.g. packet of crisps or chocolate bar (all nut free and no hard boiled sweets)
