

Dear Parents/Carers

In light of the Prime Ministers announcement last night which included information about the reopening of schools for some pupils on 1st June 2020, we would like to share with you our initial thoughts and plans.

We hope you will understand that like you, we have only just seen the announcement and that at this stage we are not in a position to answer any questions. We are waiting to receive more information from government about what this means for our school. When we have further information the Trust will plan a way forward for all our schools and inform all our families in due course.

However, in the short-term, nothing has changed and we will provide further information in the coming days and weeks once we are able to do so.

Kind regards

Mrs Laura Rynn
